

U13B – Ian Cowie

Whether you are taking the next step in your hockey development path; or working towards your goal of playing at a higher level of hockey; the B stream of hockey is high quality hockey and will challenge you as players to bring your best.

If you're looking for a TEAM that encourages player growth, emphasizes development, while balancing fun and being competitive; then I encourage you to come to our Windsor Minor U13B program.

My personal philosophy is to teach structure to hockey while allowing players to be themselves. "Let's focus on what we do well" is something you will hear me say to players often. I like my teams to be fast, hard to play against, and full of players who are engaged and willing to TRY. Over the years we have successfully moved many players onto the next level of hockey and pride ourselves when a former player takes the jump.

In the U13B program, you can expect us to play in multiple tournaments. I plan to do 2 local and 2 away tournaments. At away tournaments we always do a team bonding experience.

As a non-parent coach, I am at the rink because I love to be there. This will be my 5th year with Windsor Minor, working from House League to the Developmental team path (Select, U11B, U13B). I played hockey in the GTHL for my youth years before moving to Windsor a decade ago. I love hockey without a doubt - I coach, play, and referee. My background knowledge of the game of hockey is strong; only my passion for my team's is stronger. I will always strive to get the best out of your players, not only on, but off the ice. I am an incredibly passionate person at the rink and work hard to build relationships with my players. I believe in working to our players strengths while developing their weaknesses - our goal is to see improvement from the player they are in September to the player they are in March.

See you on the ice!

Ian Cowie

Head Coach

WMHA U13B
