

U13A – Jeff Youssef

I am excited to be the head coach of the U13A Windsor Jr. Spitfires team for the upcoming 2025/2026 hockey season.

I have been involved with WMHA since 2015 as a head coach, assistant coach, goalie coach and trainer. Growing up I played hockey in the Leamington/Southpoint area for roughly 15 years. I have a strong background in hockey, I have attended multiple coaching clinics/camps and have great resources throughout the hockey community.

I have been a head coach over the last two seasons with the WMHA 2013 group. I have seen continued growth and development with this age group. We have won 3 tournaments in the past 2 seasons and plan on adding to that this upcoming year.

My coaching philosophy centers around teamwork, discipline, continued development (on and off the ice). I always say, “a good hockey player knows where the puck is, a better hockey player knows where the puck is going to be”. I am here to bring out the most in every player, as they will be challenged. I find the more adversity they overcome through sports, the more successful they will be in life.

This upcoming season, my goals are to build a resilient and cohesive team. Every player to be motivated. We will create an environment where everyone feels welcomed. With the investment from Windsor Minor Hockey and Central Park Athletics, we will continue to develop the players’ fitness with access to the training facilities, development of skills with additional professional skills camps/skates and goalie coaching free of charge. We will increase each player’s hockey knowledge with access to film rooms where the team will be going over film in a classroom environment.

I am excited to be part of a great organization and looking forward to another successful season.

Jeff Youssef
Head Coach
WMHA U13A
