

Derek Treverton – U16 A Head Coach

Over the past 20+ years I have had the pleasure to coach players from U13 – U18 at the AAA and AA levels. The past 5 years have been spent back with the WMHA as a coach and 4 of those years as a WMHA board member (Director Of Coaching). Hockey is passion, not only the X's and O's of the game but being around the players to help them become better both as hockey players and people.

For the past several season's our coaching staff and players have been lucky to have Rob Treverton as our trainer. I can proudly say that there is not a more committed person to ensuring our players have everything they need to be successful each time they come to the rink. Rob takes his role seriously, comes prepared and asks the same from his players. Our team this year will be a better team just by having Rob as part of it to look after our players.

I am also pleased to announce that after a several year hiatus from the bench Ryan Treverton will be joining our staff this year. Ryan comes with a tremendous coaching background at the AAA level both in WMHA and SunCounty. Ryan's knowledge of the game will be fantastic addition to our staff and the players will have a great opportunity to learn and grow with Ryans coaching.

We are a hockey family!

To the players that will be part of the WMHA U16 program for the upcoming year, we will put in the work to have you as prepared as possible for each practice and game and we will ask the same from you. We will have FUN, we will play as ONE TEAM , we will WORK HARD and we will find SUCCESS on and off the ice together.

On behalf of the Treverton family and future staff to be added, we look forward to seeing you at the pre-tryout skates and tryouts in the coming weeks.

Please feel free to reach out to me with any questions you may have.

Regards,

Derek Treverton
WMHA Director of Coaching
