

## Kerry Knight – U13 A Head Coach

I would like to thank WMHA for the opportunity to inspire, motivate and pass on the love I have for the game of hockey. I would also like to thank my supportive wife, Amanda. She has always been there with support and encouragement, as I continue to contribute and give back to our community.

I have been on the bench for the WMHA Travel program for several years.

- 22/23 Head coach '09 AA
- 21/22 Head coach '09 AA
- 20/21 Head coach '07 AA
- 19/20 Assistant coach '09 AA
- 18/19 Head coach ('08 '09) A/E

Below are a few of the accomplishments I have had over the years of being head coach of WMHA travel teams:

- 22/23 – 2<sup>nd</sup> place – Riverside international Christmas Tournament
- 21/22 – 2<sup>nd</sup> place – BlueWater Playdowns AA
- 21/22 – 1<sup>st</sup> place – Randy Merton / Danny Holland Belle River Tournament
- 18/19 – 2<sup>nd</sup> place – Boston Pizza Cup St.Thomas

I played most of my minor hockey in Windsor wearing the Green, White and Black from 1991 to 2005 at the AAA level. I was blessed to have several great role models as coaches throughout my minor hockey years in Windsor. They taught me the essential skills needed to become a leader, husband, father, and a decent hockey player. They taught me to respect the game, respect my teammates and most of all to respect my elders. All of which I teach my players to this day. My job as a coach is to inspire, mold, and teach the essential skills needed to possess the ability to push these young athletes to the next level in their journey through sport, as well as to teach these young athletes how to prepare for life after sport.

Nothing will come easy. It will take hard work, dedication, and courage to push yourself to be the best that you can be.

As one chapter closes with my '09 group, another one opens with my 11's

Thanks

Kerry Knight
