### **Coaching Philosophy:**

Structured and organized level of hockey that is built around hard work and 110% effort. Continued skill development and hockey IQ improvement through practice and preparation. Each player is encouraged to respect one another, be good teammates, practice good sportsmanship and develop long lasting friendships.

### **Goals for 2023/24:**

Build on the development of each player. Continue to improve all skills for each player and continue to strengthen our team systems and player roles/responsibilities focusing on a total team effort to drive positive results.

**FUN = 110% EFFORT**

**“NEVER GIVE UP”**
